

Installed Home Improvements

Our Satisfaction Guarantee

Sears believes in providing its customers with the highest quality of products and services and backing them with our Guarantee of Satisfaction.

Sears is committed to completing installed home improvements in a *professional manner*. Customers can receive *a free*, no obligation in-home consultation. In addition, there is *no down payment* when you use your Sears® MasterCard® or Sears Card*. You can trust Sears to use only authorized installers and *quality* materials, and to conform to all local building codes and regulations. As well, our customers are protected against property damage and public liability.

Sears will stand behind the exceptional products, service and installation we supply for your home. Sears is one of Canada's most trusted Retailers. We believe Sears commitment to quality products and exceptional service is essential to building long term relationships with our customers.
